

WHAT A DEAL! GOLF AND BALLS ON A GOOD COURSE FOR \$35. I wish more had turned out. There were two late comers, but I had released the tee times so I couldn't accommodate them. Despite the greens being treated the prior week, they were in good condition although a bit slow. (That is an excuse for me three putting from 3 ft on 3 holes.) The wind was unpredictable regarding direction and strength but the temp. was great. I don't know what Ken Haukom did on 18 but the 10 was very out of character and cost him \$15 in prize money.
